Taste the locale

DRIFTWOOD
Social

Driftwood Social offers a chilled out ambience at any time of the day or night. With poolside cabanas and a riverfront old-school surf themed bar with various “eat, drink, chill” zones from which to enjoy retro poolside cocktails during the day, and fun classics for when the sun goes down. Chill out listening to cool tunes, sip Champagne or enjoy a refreshing beer or wine.

A fresh, vibrant menu of light and refreshing dishes and sharing platters captures the mood of every occasion and is designed to cater for social moments with friends or relaxed time alone.

Early risers can enjoy a healthy breakfast and barista coffee on the riverfront or try the Driftwood Signature Breakfast Burrito and a Bloody Mary to kick start the day. As the day warms up, so does Driftwood Social. What better place to catch a famous Gold Coast sunset before Driftwood Social transforms into relaxed and chilled, providing an escape from the buzzing local night life.
